## **Master of Science in Nutritional Sciences Dietetic Internship Program**

### **Interview Questions**

Directions: As part of the application process, a video of yourself addressing the following interview questions is required. The video must be emailed to Dr. Rachel Fournet at [rachel.fournet@franu.edu](mailto:rachel.fournet@franu.edu) by February 15<sup>th</sup> for your application to be considered.

1. Tell us five (5) facts about yourself and experiences you have completed that have prepared you for an internship.
2. What are your 3-5 year goals and in what area of the profession and/or research are you interested in pursuing?
3. Hypothetical situation: In the middle of a busy semester, you are faced with an on-line exam and a clinical presentation in your rotation site due the same day. Describe how you will organize and manage your time to be successful in both tasks.
4. Describe one of two ways that you fit with the mission of the University and the program either in your academic, professional, and/or personal life.
5. What challenge(s) do you think you will have to overcome during this internship? What strategies do you have to prepare you for these challenges?
